New Delhi, September 18, 2018: 360 Realtors, India's leading real estate consulting company, was awarded as the greatest brand at 'AsiaOne Awards 2017-18'. This was the third edition of the awards organized by URS

Media Consulting P.L. an international research company to celebrate excellence in Indian businesses and its economic growth. The award function was held at Taj Lands End Hotel, Mumbai on 10th September 2018.

The award recognizes the rapid growth witnessed by 360 Realtors that has managed to become a leader in the real estate consulting space in just 4 years. The company is lauded as the largest player in Indian primary residential sales, having sold over 10,000 individual units while maintaining its stellar reputation of ethics and integrity in each transaction.

Ankit Kansal, Founder and MD, 360 Realtors said, "360 Realtors has grown exponentially over the last 4 years and has carved a leadership position for itself in the real estate advisory space. A big reason behind our growth has been exceptional customer experience and transparency in every transaction backed by the latest technology. Customers in India as well as in numerous other countries like Dubai, Qatar, Bahrain, Kuwait, Oman, Saudi Arabia, Singapore where we have presence, see us as their first port of call when making a property investment in the country."

The award was conferred on the company in the presence of dignitaries like Mr. Vineet Jain, Managing Director, Bennett Coleman & Co. Ltd; Dr Niranjani Hiranandani Chairman, Hiranandani Communities; Ms. Karisma Kapoor, Indian Actress and many other leaders. Other brands like Godrej properties, Patanjali, PC Chandra Jewelers', ACER India, CISCO Systems, Parle Agro Pvt. Ltd., and Bharti AXA General Insurance were also awarded at the gala ceremony.

360 Realtors was credited to uplift the unstructured, unorganized and poorly managed residential property market. The company leverages latest technologies, analytics, marketing tools to modernize the industry and bringing in transparency in every individual transaction. These digital tools help buyers with mapping their individual needs, multiple site visits and finally making them buy a suitable property.
