RESEARCH METHODOLOGY

The various phases of the Research Methodology will be as follows:

PHASE 1: The first phase of the research will be initiated by generating a list of categories (to be covered under the purview of the survey mentioned at the end of this document).

The entire research platform will be divided into:

A list of about 1200 brands across 16 industries and 62 sub-categories will be drawn up through secondary research driven by the URS Media research team and AsiaOne editorial team using online surveys via:

- Google Analytics
- Market studies
- Industry white papers
- Category-specific brand reports
- Brand-specific scrutiny

*Companies with net revenue exceeding US\$12 billion will not be considered. Group turnovers will not be considered but may be only that of individual companies.

PHASE 2: The preliminary list of 1200 Brands generated of The India's Greatest Brands will be scrutinized and graded on a scale of 1 to 10 (where 1 is the lowest and 10 is the highest) by the research and editorial teams to generate a list of the top 300 brands based on the following parameters:

1. Brand Popularity
2. Brand Innovation
3. Brand Growth
4. Brand Promise
5. Brand Impact

PHASE 3: Jury and Brands & Leaders Scrutiny Questionnaire:

The list of the top 300 brands will then further be scrutinized by an independent jury. The brands will be rated on the parameters of Brand Popularity, Brand Innovation, Brand Growth, Brand Promise and Brand Impact on a scale of 1 to 10 (where 10 is the highest and 1 is the lowest).

FINAL PHASE & LISTING OF THE TOP 120 BRANDS

The final phase of the research will entail the analysis of the jury and editorial questionnaire ratings based on the above-mentioned parameters and weightage assigned below by the research and editorial teams:

Analysis: The 120 India's Greatest Brands and Leaders list will be based on the cumulative scores of the shortlisted Brands received from the Jury Council and the research and editorial teams.

The research and editorial teams will shortlist from 1200 to 300, and then based on the weightage given to the independent Jury scores, a final list of 120 Brands will be created.

The lists of the 16 industries covered under the purview of the study are as follows:
